School Overview

Hayman Island State School provides a quality educational program in a remote island multiage setting for students from the Preparatory Year to Year 7. The curriculum offers children opportunities in all eight key learning areas, with a strong focus on Literacy and Numeracy. Hayman provides an excellent Information and Communication Technologies program with a 1:1 ratio of computers to students. The school is led by a teaching principal with a range of support staff and a highly supportive school community. Parents work collaboratively through a supportive Parents and Citizens Association which endeavours to assist with the educational program. The school building and land is owned by the Hayman Resort and all the parents work for Hayman. The school and the resort have an excellent partnership to provide the best opportunities for the students. Throughout the year students participate in various academic, cultural and sporting activities with students of the other small schools. The students regularly visit Hamilton Island School to join their peers in a range of activities.

Principal's Foreword

Introduction

Hayman Island State School is located in the north-eastern foreshore of Hayman Island. This island, a national park, is in the northern section of the Whitsunday Passage about 50 km from the mainland. Our remote school site is accessible only to staff children and guests of *Hayman Island* resort. The journey to Hayman Island takes 55 minutes aboard one of the resort's vessels that ferries guests, staff, contractors and departmental visitors from Airlie Beach or Hamilton Island.

At Hayman Island State School the teaching and learning is about ensuring a quality future for our students. The school provides a safe, supportive and positive learning environment for students from Prep to Year 6 and ensures that they have equitable access to the very best curriculum, teaching and learning.

At Hayman Island State School we share the following values and beliefs:

- a. All students can achieve high standards, given the right amount of time and support
- b. All teachers can teach to high standards, given the right assistance
- c. High expectations and early and ongoing intervention are essential
- d. Teachers and administrators need to be able to articulate what they do and why they teach the way they do
- e. Parent and community engagement that is effectively focused on student learning is essential to improve student outcomes.

This School Annual Report provides a snapshot of academic, student and staff data for Hayman Island State School for the 2017 school year and summarises our school's progress and goals over the past 12 months. It draws on information from the National Assessment Program in Literacy and Numeracy (NAPLAN) for Years 3 and 5, School Opinion Survey data and school based information. This report highlights the continuing high standard of work from our staff and students and the support offered by parents and the community.

In 2017 Great Results Guaranteed (GRG) funds were used to:

Ensure that every student will achieve the Hayman Island State School literacy and numeracy benchmarks or will have an evidence-based Individual Learning Plan (ILP) to address their specific learning needs

- Develop a whole school approach to teaching English (literacy)
- Develop a whole school approach to teaching Maths (numeracy)
- Provide education for parents of Early Years students to support the development of early literacy and numeracy skills at home
- Upskill graduate teacher to develop a deeper understanding of the effective use of data (Early Start, PM reading, Maths Assessment Tools, Words Their Way and writing samples) to inform five weekly 'collaborative inquiries' in literacy and numeracy to close the gaps in identified student achievement
- Embed student learning walls in classroom practice and foster assessment literate students

School Progress towards its goals in 2017

Hayman Island State School remained committed to a strong school improvement agenda whilst targeting the key priorities established in the 2017 Annual Implementation Plan (AIP). These were:

1. Embed the Australian Curriculum

- a. Continue to embed the teaching of Curriculum into the Classroom (C2C) units in English, Mathematics, Science, History and Geography and introduce the C2C units of The Arts, Health and Physical Education and Digital Technologies
- b. Provide five-weekly curriculum planning days for teachers to include collaborative monitoring of student achievement and moderation of student work samples against C2C Guide to Making Judgements (GTMJs).

2. Improve reading, writing and numeracy outcomes

- a. Embed *Early Levelled Reading (P-2)* and *Reading with a Literacy Focus (3-6)* programs in uninterrupted literacy blocks
- b. Introduce whole school daily writing with a focus on vocabulary instruction
- c. Introduce weekly library borrowing and continue with home reading focus and *Reading Eggs* subscriptions
- d. Introduce literacy and numeracy consolidations to move student knowledge from short term to long term memory.

3. Develop assessment literate students

- a. Embed learning intentions and success criteria in every lesson,
- b. Maintain classroom data walls with GTMJ's, know/do/think tables, unit exemplars, anchor charts and strong student work samples
- c. Conduct regular and ongoing conversations and feedback to students to identify strategies and learning goals
- d. Upskill teachers to effectively use data to enhance student achievement.

4. Attendance

- a. Continue emphasis on 'Everyday Counts' and use OneSchool roll marking
- b. Introduce attendance awards, rewards days and attendance data wall to encourage attendance

Future Outlook

Our key priorities for 2017 as defined in the Annual Implementation Plan (AIP) are:

1. Embed the Australian Curriculum

- a. Continue to embed the teaching of Curriculum into the Classroom (C2C) units in English, Mathematics, Science, History and Geography and introduce the C2C units of The Arts, Health and Physical Education and Digital Technologies
- b. Provide five-weekly curriculum planning days for teachers to include collaborative monitoring of student achievement and moderation of student work samples against C2C Guide to Making Judgements (GTMJs).

2. Improve reading, writing and numeracy outcomes

- a. Embed *Early Levelled Reading (P-2)* and *Reading with a Literacy Focus (3-6)* programs in uninterrupted literacy blocks
- b. Introduce whole school daily writing with a focus on vocabulary instruction
- c. Introduce weekly library borrowing and continue with home reading focus and *Reading Eggs* subscriptions
- d. Introduce literacy and numeracy consolidations to move student knowledge from short term to long term memory

- e. Create five-week teaching and learning plans for individual students to close gaps in reading comprehension, writing and numeracy as informed by diagnostic assessment data
- f. Establish a termly whole-school student writing work sample moderation to monitor student writing
- g. Engage Year Three and Year Five students in DET's Impact Centre online learning programs – U2B Booster 'Mind Reader' and 'Comprehend IT'.

3. Develop assessment literate students

- a. Embed learning intentions and success criteria in every lesson
- b. Maintain classroom data walls with GTMJ's, know/do/think tables, unit exemplars, anchor charts and strong student work samples
- c. Conduct regular and ongoing conversations and feedback to students to identify strategies and learning goals
- d. Upskill teachers to effectively use data to enhance student achievement.

4. Attendance

- a. Continue emphasis on 'Everyday Counts' and use OneSchool roll marking
- b. Examine and visualise attendance data through displays provided on the classroom data wall
- c. Introduce attendance awards, rewards days and attendance data wall to encourage attendance

Our School at a Glance

School Profile

Coeducational or single sex:	Coeducational
Independent Public School:	No
Year levels offered in 2017:	Prep Year - Year 6

Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2015	10	3	7		55%
2016	12	3	9		60%
2017	6	3	3		33%

Student counts are based on the Census (August) enrolment collection.

In 2017, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<https://qed.qld.gov.au/earlychildhood/families/pre-prep-indigenous>).

Characteristics of the Student Body

Overview

The student body of Hayman Island State School are from families where the parents are employed by the *Hayman Island Resort*. All students reside in staff accommodation and therefore live in close proximity to each other. During 2017, 50% of our students were classified as *English as an Additional Language or Dialect* (EADL) learners, with varied nationalities represented in the student body. Currently, there are no students within our student population, who have attended the school for three years or more due to the relatively high transient student population.

Tropical Cyclone Debbie (March 2017) had a major impact on student enrolment as the Hayman Island Resort was severely damaged and was subsequently closed for reconstruction. As the resort was not operational, resort employees, including school families were forced to leave the island and relocate elsewhere to gain employment. The resort remains under construction at the time of this report.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2015	2016	2017
Prep – Year 3	12	11	5
Year 4 – Year 6			
Year 7 – Year 10			
Year 11 – Year 12			

Curriculum Delivery

Our Approach to Curriculum Delivery

Hayman Island State School implemented multi-age Curriculum into the Classroom (C2C) units aligned to the Australian Curriculum throughout 2017.

- Implemented English, Mathematics, Science, History, Geography, The Arts, HPE and Technology C2C units
- Uninterrupted literacy and numeracy blocks
- Literacy and numeracy consolidations
- Students used iPads or laptops to access Mathematics, Reading Eggs and research tasks
- Implemented computer coding lessons (Scratch)

Co-curricular Activities

Extra curricula activities

- Literacy and Numeracy Week activities (including book character parade)
- ANZAC Day dawn service
- Flying Arts visiting artist
- Science Week activities
- Reef guardian Eco-challenge at Cannonvale foreshore
- Guest speaker – Doug Van Wyk Smith (Hayman Island history focus)
- Under Eight's day at Proserpine SS
- Tennis lessons
- Parent reading workshop
- Kiribati Dancers
- Diner field trip
- Bunnings visit to build school garden
- ANZAC Day Commemorative Service
- Hamilton Island SS spelling bee
- Hamilton Island SS athletics carnival
- Proserpine Museum excursion
- Nara Inlet excursion (Indigenous history focus)
- Sydney excursion

How Information and Communication Technologies are used to Assist Learning

Information and Communication Technologies are used to assist learning at Hayman Island State School with a student to computer ratio of 1:1. Students use the computers on a daily basis as they work through the curriculum to access information, publish written work and to display and manipulate information. The school has wireless access to the internet in all areas. Students used a wide range of programs and online resources such as Reading Eggs, Mathematics, Scratch, Photo Story, Excel, PowerPoint and Microsoft Word.

Social Climate

Overview

At Hayman Island State School we ensure a positive and supportive school climate where strong citizenship and quality learning is a key priority for students, teachers, parents and carers. We believe that in order for students to learn effectively they need to:

Be a Proud Learner who is:

- Respectful
- Responsible
- and Safe

We complement the work done by parents at home by actively teaching these expectations in our classrooms. We use the Hi 5 resilience strategy to explicitly teach our students strategies to respond to bullying and have a 'Focus of the Week' to explicitly teach appropriate behaviours. Parents and students both agree that the school on Hayman Island is a wonderful place to learn.

The small student population ensures that teachers are able to spend more time with the individual. The low student population and enclosed community, creates a true family feeling where students feel welcomed, safe and supported. Hayman Island is a unique community being solely reliant on the resort. All parents of the school community work for the resort. Hayman Island is a very safe school to attend with minimal incidents of bullying or inappropriate behaviour.

Parent, Student and Staff Satisfaction

* Nationally agreed student and parent/caregiver items

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

Parent and community engagement

At Hayman Island State School, we value the partnerships we have with our parents and school community. Parents and caregivers at Hayman Island expect a well-disciplined, well organised, academically rigorous and caring learning environment that caters for the learning needs of their children. Our school has implemented a range of strategies to ensure that parents are well informed and involved in our school. These include:

- Parent information Evening
- Termly curriculum letters
- Parent workshops – literacy and numeracy
- Reporting to our Parents and Citizens Association each term
- Parent teacher interviews twice per year
- Parent handbook upon enrolment
- School newsletters and school website
- Parent conferences to discuss and set Individual Learning Plans.

Parents are also encouraged to be partners in their child's education through:

- Active membership in our Parents and Citizens Association
- Volunteering for guided reading or library borrowing
- Providing voluntary support and supervision on class excursions
- Support teachers in delivering extra-curricular activities in their particular area/s of expertise.

Respectful relationships programs

The school has developed and implemented programs that focus on appropriate, respectful and healthy relationships. The Australian Curriculum: Health Curriculum into the Classroom units compliment these programs to focus on personal safety and awareness, including identifying and responding to abuse and violence and developing students' knowledge and skills to be able to resolve conflict without violence and to recognise, react and report when they, or others, are unsafe.

Our "Focus of the Week" program also focuses on building respectful relationships:

- Being responsible
- Looking at the speaker
- Using my initiative
- Independence

- Responding to instruction
- Being a good sport
- Keeping to yourself
- Being resilient
- Giving and receiving compliments
- Using a peaceful voice

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015	2016	2017
Short Suspensions – 1 to 10 days	1	0	0
Long Suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

Environmental Footprint

Reducing the school's environmental footprint

Although Hayman Island State School is unable to obtain itemized data regarding their electricity and water usage as it is all tied into the island resort grid and water supply, reducing our environmental footprint is seen as a priority. The installation of fans, power-saving lighting and additional water tanks was completed to assist in reducing the school's environmental footprint. The school currently has five rainwater collection tanks. The school also has a vegetable garden with worm farm and compost bin. All food scraps are recycled and used as compost or worm juice fertiliser for our garden. Hayman Island State School continues to be a proud Reef Guardian school.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015		
2015-2016		
2016-2017		

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Professional Development

Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2017 were \$6112.80.

The major professional development initiatives are as follows:

- Beginning teacher mentor program
- Beginning teacher regional workshop
- Primary Connections (Science)
- Curriculum planning, assessment and reporting
- Using data to inform teaching and learning
- Explicit teaching modules
- School budget training
- Principal conference and learning fair
- Professional Learning Communities (PLC) meetings

The proportion of the teaching staff involved in professional development activities during 2017 was 100%.

Staff Attendance and Retention

Staff attendance

AVERAGE STAFF ATTENDANCE (%)			
Description	2015	2016	2017
Staff attendance for permanent and temporary staff and school leaders.	99%	98%	100%

Proportion of Staff Retained from the Previous School Year

From the end of the previous school year, 0% of staff was retained by the school for the entire 2017.

Performance of Our Students

Key Student Outcomes

Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2017			
Description	2015	2016	2017
The overall attendance rate* for the students at this school (shown as a percentage).	92%	91%	90%

The attendance rate for Indigenous students at this school (shown as a percentage).

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2017 for all Queensland Primary schools was 93%.

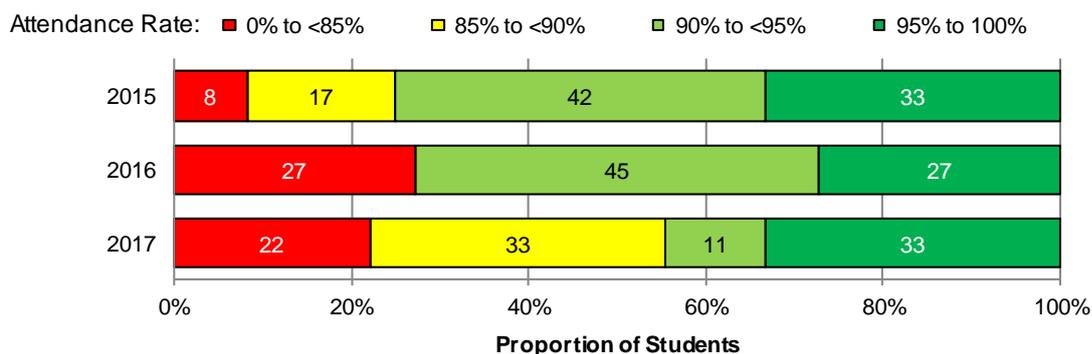

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2015	91%	DW	DW	DW		94%	DW						
2016	96%	83%	DW	DW			89%						
2017		94%	93%	DW	DW	DW							

*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

At Hayman Island State School “Every Day Counts” is the message communicated to parents regarding student attendance via information sessions, website news articles, newsletters and face-to-face conversations. Students receive attendance awards and attendance data information is displayed in the classroom. Rewards days are held on the last day of each term to reward high attendance and discourage early holiday departures.

Attendance at school is high when the students are on the island, but as the student’s parents are unable to take holidays over the school holiday periods due to high occupancy at the resort, parents often take their children on holidays during the school term. If this occurs, students are supported in their ongoing learning. It is noted that Tropical Cyclone Debbie (March 2017) impacted our students’ attendance in 2017.

Unexplained absences do not occur and rolls are marked twice daily – each morning and after second break.

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following ‘Find a school’ text box.
